## Job Opening - Assistant Professor in Organic Chemistry II Laboratory

Faculty of Science of Hokkaido University, Japan invites applications for an academic position of Assistant Professor to the following description. Applications from overseas researchers are encouraged.

### 1. Position Title

Assistant Professor

### 2. Application Qualification

Excellent research expertise in organic chemistry. Strong motivation for conducting research. Successful candidates should have a Dr. degree in the related areas and good communication skills for collaboration.

### 3. Research Area and Scope of Work

Synthetic organic chemistry. Chemical synthesis of natural compounds and related molecules, which are based on development of new reactions and methodologies. Collaboration with Prof. Keiji Tanino in Organic Chemistry II Laboratory is expected.

### 4. Documents to Submit

(1) Curriculum vitae (including picture, date of birth, nationality, current address, contact information, educational history after high school, degrees acquired, qualifications, employment history) (two sets)

(2) Research achievements which should be categorized into the following types: a) refereed original papers, b) patents, c) reviews and commentaries, d) books, e) invited lectures, f) grants awarded (main author only) and g) honors awarded (two sets)

(3) Offprints (or photocopies) of up to five journal publications (two sets)

(4) Brief of research to date (approximately 500 words) (two sets)

(5) Plan for research and education if appointed (approximately 500 words) (two sets)

(6) Two recommendation letters or references (name, institution, tel., e-mail) (two sets)

### 5. Deadline for Application

The application must be received no later than October 31st, 2017.

### 6. Expected Start Date

The earliest possible day no later than April 1st, 2018 after the final decision

### 7. Contact Addresses

Prof. Takanori Suzuki, Department of Chemistry, Faculty of Science, Hokkaido University, Kita 10 Nishi 8, Kita-ku, Sapporo, Hokkaido 060-0810, Japan

Tel: +81 11 706 2714 / E-mail: tak@sci.hokudai.ac.jp

### 8. Submission Method

Applications should be sent via registered mail to the following postal address:

Prof. Takanori Suzuki, Department of Chemistry, Faculty of Science, Hokkaido University, Kita 10 Nishi 8, Kita-ku, Sapporo, Hokkaido 060-0810, Japan

Please indicate "Application for a Position for Organic Chemistry II Laboratory" in red ink on the envelop. Documents submitted will not be returned to the applicant.
